**STARPOINT TENANT SCREENING PARTNERS WITH LEADING
PROPERTY MANAGEMENT SOFTWARE SOLUTION**

StarPoint Tenant Screening Forms a Partnership with Rentec Direct

PENSACOLA, FL – December 1, 2010 – StarPoint Tenant Screening, an information services company that delivers tenant credit reports and tenant background screening reports to property managers and landlords nationwide is now a technology partner with Rentec Direct, an online property management software solution provider.

Rentec Direct, based in Grants Pass Oregon, provides a robust online property management software application that includes all the tools necessary for both professional property management firms and individual landlords to manage and track unlimited properties and tenants. Rentec Direct provides full banking, property, tenant and owner accounting management, online rent payment, online vacancy marketing and tenant background screening. The partnership with StarPoint Tenant Screening now empowers Rentec Direct to add tenant credit reporting to its background screening offering for its subscribers.

“The Rentec Direct partnership is a great fit for StarPoint Tenant Screening’s business model. Integrating with a partner who adds additional value and services to our target market is ideal,” said Kelly Gontarski, president of StarPoint Tenant Screening.

“We get to exclusively showcase our tenant credit reporting product in a top notch online store where our prospects regularly visit. We are thrilled to be included.”
